

New Delhi Restaurant's Legacy & Legends Series

Ranjan Dey invites you to join him in celebration of New Delhi Restaurant's 30 year legacy by enjoying a legendary evening in our bar with Bay Area brewers **21st Amendment**. The festivities begin Thursday, May 4th from 6:00 pm to 8:00 pm.

Be part of the conversation about the stories and people that helped create these two San Francisco legends.

BREW FREE! IPA
BLOOD ORANGE
21ST AMENDMENT BREWERY
OR DIE ALE BREWED WITH BLOOD ORANGES
7% ALC./VOL. | 70 IBUS

Four hop varieties and seven blood oranges ago, our founders brought forth in this brewery, a new beer, conceived in Liberty and dedicated to the proposition that not all IPAs are created equal. Because sometimes real fruit just makes things even more delicious.

Blood Orange Brew Free! is brewed like our original west coast style Brew Free! Or Die IPA, but with an abundance of fresh blood orange puree and a twist of citrusy dry hops. Refreshingly different. As Abe would say, "Whatever you are, be a good one."

BACK IN BLACK
AMERICAN IPA BREWED WITH
RICH DARK MALTS
6.8% ALC./VOL.
65 IBUS

Inspired by Paul Revere's midnight ride, we rebelled against the British style IPA, embraced the more aggressive American western and then recast it in bold, brave, defiant black. Our Black IPA is a Declaration of Independence from the tyranny of the expected.

Back in Black is available year-round in six pack cans and on draft. Brewed like an American IPA but with the addition of rich, dark malts for a slightly chocolaty mellow finish.
